We're all in this together--but please keep your distance!

...I hope they give us two weeks notice before sending us back out into the real world. We need the time to become ourselves again. By "ourselves" I mean lose 0 pounds, cut our hair and get used to not drinking at 9:00 a.m.

...New monthly budget: Gas \$0, Entertainment \$0, Clothes \$0, Food \$,799.

...Breaking News: Wearing a mask inside your home is now highly recommended. Not so much to stop COVID-9, but to stop eating.

...Low maintenance chicks are having their moment right now. We don't have nails to file and paint, roots to dye, eyelashes to re-mink, and are thrilled not to have to get dressed every day. I have been training for this moment my entire life!

...When this quarantine is over, let's not tell some of the people we work with.

...I stepped on my scale this morning. It said: "Please practice social distancing. Only one person at a time on scale."

...Not to brag, but I haven't been late to anything in over weeks.

...It may take a village to raise a child but I swear it's going to take a vineyard to home school one.

...I wanted zombies and anarchy. Instead we got working from home and toilet paper shortages. Worst-Apocalypse-Ever!

...You know those car commercials where there's only one vehicle on the road - it doesn't seem so unrealistic after all.

...They can open things up next month, I'm staying in until July to see what happens to y'all first.

...People keep asking: "Is Coronavirus REALLY all that serious?" Listen up, the churches and casinos are closed. When heaven and hell agree on the same thing it's serious.

...Home school Day : I'm trying to figure how I can get this kid transferred out of my class.

...Okay, schools are closed. Do we drop kids off at the teacher's house or what?

...The dumbest thing I've ever bought was a 00 planner.

...And, finally - I was in a long line at 7: am today at the grocery store that opened at 8:00 for seniors only. A young man came from the parking lot and tried to cut in at the front of the line, but an old lady beat him back into the parking lot with her cane. He returned and tried to cut in again but an old man punched him in the gut, then kicked him to the ground and rolled him away. As he approached the line for the rd time he said, "If you don't let me unlock the door, you'll never get in there."

Enjoy your day. You don't have anything else to do.

A golfer is in a competitive match with a friend, who is ahead by a couple of strokes.

"Boy, I'd give anything to sink this putt", the golfer mumbles to himself.

Just then, some stranger walks up beside him and whispers, "Would you be willing to give up a quarter of your sex life to sink the putt?"

Thinking the man is crazy and his answer will be meaningless, the golfer also feels that maybe this is a good omen, so he says, "Sounds good to me," and promptly sinks the putt!

Two holes later, he mumbles to himself again, "Gosh, I wish I could get an eagle on this one."

The same stranger is suddenly at his side again and whispers, "Would it be worth giving up another quarter of your sex life to make an eagle?"

Shrugging, the golfer replies, "Okay." And, amazingly, he makes the eagle.

On the final hole, the golfer needs another eagle to win.

Without waiting for him to say anything, the stranger quickly moves to his side and says, "Could winning this match be worth giving up the rest of your sex life?"

"Definitely," the golfer replies, and sure enough he makes the eagle and wins the match.

As the golfer is walking to the club house, the stranger walks along beside him and says, "I haven't really been fair with you because you don't know who I am. I'm Satan, and from this day forward you really will have no sex life at all."

"Nice to meet you," the golfer replies. "I'm Father O'Malley."
